

The High Speed Lab Superchargers Service & Parts

Contact me directly for supercharger service questions.
We Appreciate Your Business. Thank You!

Alicia Embree, Office Manager (314)277-8495

www.thehighspeedlab.com

Note in the box:

Always include a note in the box with your contact information, including your full name, phone numbers, email address, return shipping address. Include as much information as you can to help us identify your supercharger from the rest of the SC's coming and going.

Always ship your supercharger with A NOTE containing the following information:

- Customer Name (Supercharger's Owner) - Required. Includes First & Last Name.
- Shop or Company Name with Main Contact Name
(If applicable. also requires Customer Name)
- Main Contact Phone Number - Required. At least one. Indicate Main phone.
- Email Address - Required. (We don't have time to spam!)

Ship your supercharger or core rotor assembly to this address for service or core exchange with this note in the box. :
